To whom it may concern:

I am writing a letter of endorsement in support of Page Regional Domestic Violence Services ("PRDVS") for consideration of the crime victim service grant. PRDVS has been serving victims of sexual assault and domestic violence since 1996. PRDVS provides comprehensive care with trained advocates who support victims so they do not have to suffer alone. The emergency shelter provides healthy food, safety, advocacy, case management, hotline phone calls, crisis services, educational classes, support groups, and job training.

We very much appreciate and rely on the services provided by PRDVS and hope to continue to support their mission in providing services to victims.

I encourage continued support for this very worthwhile and effective program and request that PRDVS be given the highest consideration for the crime victim service grant.

Very truly yours,
