Re: Page Regional Domestic Violence Services (P.R.D.V.S)

To Whom it May Concern:

Please receive this letter in support of the application produced by Page Regional Domestic Violence Services (P.R.D.V.S). P.R.D.V.S and the Page Police Department have developed a strong collaborative relationship to effectively enhance services provided to victims, and their families, of domestic violence within our community.

P.R.D.V.S has been used, and will continue to be called upon, for assistance in addressing domestic violence issues. P.R.D.V.S is a vital resource for many agencies within the City of Page that have come to enlist their help to enhance our domestic violence reduction efforts. P.R.D.V.S brings quality advocates with specialty skills that are beyond the abilities or resources of many programs within our community.

I without hesitation, encourage continued support for this very worthwhile and effective program.

Thank you for your consideration in this matter.

Respectfully,
